## Chairman's Message

H M Patel Institute of English Training and Research, the brain child of Shri H M Patel, is established with an aim of improving the quality of English education in Gujarat and acting as a model ELT Institute for the country. This institute was awarded as “College with Potential for Excellence” by UGC and is now affiliated with Indian Institute of Teacher Education. I am happy to say that the principal and the faculty of the Institute strive hard to achieve the goal set by the founder and the management. The recent GSIRF ranking placed the institute in the second position among teacher education colleges of Gujarat and first among the English Language Teaching Institutes. I am sure that the facilities available at the institute and the support offered by CVM would certainly help new generations to sharpen their skills and competencies in English Language Teaching.

# About CVM

One of the greatest sons of India Late Sardar Vallabhbhai Patel inspired Shri Bhaikaka and Shri Bhikabhai Saheb for rural resurgence of post-independent India through education, and Charutar Vidya Mandal was born. Charutar Vidya Mandal was established in the year 1945 as a charitable trust with a prime objective of rural development through education to bring about the social awakening, social upliftment and enrichment. The uniqueness of Charutar Vidya Mandal lies in its ability to use quality education as a powerful means of social transformation. It was a stupendous task for the founders to establish a visionary organization; but the large-heartedness and high sense of philanthropy of this region made this possible. Over the subsequent years, Late Dr. H M Patel consolidated the efforts put in by the founders. Later on, in the 1990s, when Late Dr. C L Patel took over the reigns of Charutar Vidya Mandal as the Chairman, the country was facing a major economic and ideological change paving the way for globalization and liberalization.

# About IITE

॥ न हि ज्ञानेन सदृशं पवित्रमिह विद्यते ॥

Indian Institute of Teacher Education (**IITE**), established in 2010 is a brainchild of the then CM of Gujarat Shri Narendra Modi. IITE began with the vision of producing world class teachers and lead the world from the front.

The idea of innovative, residential, integrated degrees was brought in to existence in the form of IITE as the 21st century education would not just consist of a degree but an all inclusive setup. To lend a material shape to the best educational philosophies from across the world, a team of experts led by legendary Indian academician and philosopher Shri Kireetbhai Joshi and other scholars of national and international stature came together to design the curriculum of IITE.

Presently the IITE has been setting benchmarks with its innovative and extraordinary initiatives like Angira – a MOOC platform, Shiksharth- An Audio Visual Chanel for academic assistance, Sutirth- a Monthly University Newsletter, Teacher’s Tune- an Internet Radio station run by students and teachers, *Chanakya* Award for Teacher Trainees, Teacher Educators and Teacher Education Institutes, regular online and offline seminars and workshops under the visionary leadership of the Vice Chancellor, Dr. Harshadbhai Patel.
