If one keeps the international scene in mind, the knowledge of English is inevitable for intellectual growth and technological development. Along with increasing use of regional language, a sound study of English needs to be encouraged as an instrument of acquiring knowledge.

Shri H M Patel
Founder of the Institute

Chairman's Message

H M Patel Institute of English Training and Research, the brain child of Shri H M Patel, is established with an aim of improving the quality of English education in Gujarat and acting as a model ELT Institute for the country. This institute was awarded as “College with Potential for Excellence” by UGC and is now affiliated with Indian Institute of Teacher Education. I am happy to say that the principal and the faculty of the Institute strive hard to achieve the goal set by the founder and the management. The recent GSIRF ranking placed the institute in the second position among teacher education colleges of Gujarat and first among the English Language Teaching Institutes. I am sure that the facilities available at the institute and the support offered by CVM would certainly help new generations to sharpen their skills and competencies in English Language Teaching.

Er. Bhikhubhai B. Patel
Chairman
Charutar Vidyamandal
Vallabh Vidyanagar

GSIRF – 2021

From the Desk of Principal...

It is a great pleasure to welcome you to H M Patel Institute of English Training and Research, managed by Charutar Vidya Mandal, Vallabh-Vidyanagar, Gujarat, INDIA.

HMPIETR is the pioneer ELT institute in west India with a group of very talented teacher-educators and staff who set high standards and expectations for the future teachers. We are inclusive and celebrate the diversity and uniqueness of everyone within the institute. Our main goal is to make our teacher trainees feel home here and teach English through English and thereby gain competence in English language. Our academic standards continue to improve each year and the curriculum we have designed ensures that our trainees will be able to address any class any level confidently and use English fearlessly anywhere in the world.

We have planned add on courses, value added courses, and self learning courses in addition to the prescribed curriculum along with extra-curricular activities to help enrich trainees' academic and social experiences, taking learning beyond the four walls of the classroom. There are hostels for both boys and girls on the campus and 24 hour medical assistance and security is assured by the management. We ensure placements for our trainees in both regional and international schools. Free training is given for all final semester students and alumni for TET/TAT/NET.

I assure you a pleasant classroom atmosphere at HMPIETR.

Best wishes to all.

**Dr Mayur Parmar
I/c Principal
HMPIETR**

Vision

To add significantly to our civilizational tradition of excellence in learning, to attain knowledge, enlightenment and self-realization in universally relevant context.

Mission

To provide value added, globally relevant teacher education with an emphasis on the Techno Management domain, as we endeavor to enable our learners to cope with new challenges in the global context.

Objective

It includes creating a stimulative learning climate through training and research, enhancing creative and critical thinking, nurturing inner urge for learning, developing and producing instructional materials and creating a body of research in ELT relevant to Gujarati speaking learners of English.

Welcome to HMPIETR

H. M. Patel Institute of English Training and Research (HMPIERT) is one of the few outstanding educational institutions offering B.Ed. (English) programme keeping with an international standard of excellence. The Parent body of this institution is Charutar Vidya Mandal, (CVM) the Public Charitable Trust founded in 1945. It was Dr. H.M. Patel, the senior ICS officer who served as Finance minister and Home Minister of India in late 80s led to the inception of this institute in 1965 to cater quality education and produce highly competent teachers of English language. The institute is renowned for its activities like in-service training programmes for teachers, extension services like orientations, workshops, symposiums and research publications. In order to sustain the established quality measures and continuous contribution in ELT through blazing activities, the institution is all set to invigorate all its strengths.

About CVM

One of the greatest sons of India Late Sardar Vallabhbhai Patel inspired Shri Bhaikaka and Shri Bhikabhai Saheb for rural resurgence of post-independent India through education, and Charutar Vidya Mandal was born. Charutar Vidya Mandal was established in the year 1945 as a charitable trust with a prime objective of rural development through education to bring about the social awakening, social upliftment and enrichment. The uniqueness of Charutar Vidya Mandal lies in its ability to use quality education as a powerful means of social transformation. It was a stupendous task for the founders to establish a visionary organization; but the large-heartedness and high sense of philanthropy of this region made this possible. Over the subsequent years, Late Dr. H M Patel consolidated the efforts put in by the founders. Later on, in the 1990s, when Late Dr. C L Patel took over the reigns of Charutar Vidya Mandal as the Chairman, the country was facing a major economic and ideological change paving the way for globalization and liberalization.

About IITE

Indian Institute of Teacher Education (IITE), established in 2010 is a brainchild of the then CM of Gujarat Shri Narendra Modi. He wanted to establish an institute which would produce world class teachers and export them. At a time when the world is facing shortage of teachers, he wanted India to lead from the front.

"If you send a businessman to a foreign land, he controls dollars, but if you send a teacher s/he would control the whole generation". Modi used to say.

Shri Narendra Modi is one of the few such visionaries who thought that 21st century education would not just consist of a degree but an all inclusive setup, and hence the idea of innovative, residential, integrated degrees was brought in to existence. To lend a material shape to the best educational philosophies from across the world, a team of experts led by legendary Indian academician and philosopher Shri Kireetbhai Joshi and other scholars of national and international stature came together to design the curriculum of IITE.
